'61 Products Of 111 Adams Firms Worth \$93 Million; 7,274 Paid \$23 Million

One hundred eleven manufacturing firms in this county last year produced goods worth \$93,417,000, according to figures gathered in the annual census of manufacturing industries conducted by the state Department of Internal Affairs.

The value of the finished product included \$43,627,000 described as the "value added by manufacture."

The biggest chunk of that \$93 million total was provided by six fruit and vegetable processing plants in the county. Total value of the manufactured product there was \$23,695,000.

FOOTWEAR SECOND

The second largest manufacturing total was turned in by eight footwear manufacturers who produced goods worth \$19,553,000.

The 111 manufacturing establishments employed a total of 7,274 persons. The six fruit and vegetable processing plants employed 1,331 and the eight footwear manufacturers hired a total of 2,269 men and women.

Wages and salaries paid last year by the same 111 industries amounted to \$23,025,000 with the food processors paying \$4,107,000 of the total and the footwear manufacturers \$6,775,000.

SPENT \$3 MILLION

Those same 111 industries reported capital expenditures of \$2,946,000.

The list of industries covered in the 1961 census included 19 engaged in the manufacture or processing of foods and kindred products, nine engaged in the manufacture of apparel and related products including three dress shops, 18 lumber and wood products including seven sawmills, eight furniture and fixture manufacturers including six plants that make wooden household furniture, four paper product manufacturers, nine printing and publishing firms, three manufacturers of rubber and plastic products, 12 stone, clay and glass manufacturers, three in primary metals, two in fabricated metal, five machinery excepting electrical, two electrical manufacturers and two makers of miscellaneous products.

TOTALS BY INDUSTRIES

The clothing manufacturing firms employ 583 and pay wages totaling \$1,338,000, the survey shows. The lumber and wood products plants hired 212 and paid \$625,000 in wages. The furniture manufacturers hired 309 and paid \$1,190,000 in wages. The paper products firms hired 247 and paid wages of \$1,075,000. Printing establishments hired 128 and the wages there totaled \$493,000. The stone and clay workers numbered 385 and their wages came to \$1,696,000. The metal workers numbered 314 and their pay totaled upwards of \$1,150,000. Machine shops employed 249 and miscellaneous factories hired 13. Chemical manufacturers employ 35 and paving mixtures and block manufacturers, 17.

COURT ORDERS HANDED DOWN

Paul Henry Trent, Gettysburg R. 1, was directed to pay \$25 per week for the support of his wife and child following a nonsupport hearing Friday afternoon before the Adams County court. He also was directed to pay the costs and enter his own bond for \$500.

Titus P. Kanagy, Pennsylvania Furnace, was directed to pay \$15 per week for the support of his wife and two children following a support hearing.

The support order against Carl H. McDermitt, New Oxford R. 1, was suspended due to the children now residing with him.

Lawrence S. Johnson, Chambersburg, in court on a rule, was directed to pay \$40 per week for the support of his wife and seven children.

Granville Lee Reed, Littlestown R. 1, returned on a process for failure to pay costs and fine on a charge of driving during suspension, was reported to the court as "paid up."

The support charge against Charles R. Fowler, Gettysburg R. 1, was suspended for six months, to terminate at that time unless revised in the meantime. He was directed to pay costs.

The nonsupport case against Harold Carson, Fairfield R. 1, was continued to February 8. The petition for support against Ray Hunt, Abbottstown, was continued to November 14.

3 COMMUNIONS FOR ST. JAMES

Three services of Holy Communion will be held at St. James Lutheran Church, the Rev. Dr. Paul L. Reaser, pastor.

Two morning services at 8 and 10:45 o'clock will be followed by another at 4 p.m. with the sacrament of the Lord's Supper to be administered at each in observance of World-wide Communion Sunday.

All Sunday School classes meeting at 9:30 o'clock will be holding their first session in the new year for the Sunday School organization which begins October 1.

The sacrament of Holy Baptism will be administered to children at a 3 p.m. service in the church.

Luther Leagues will meet for regular sessions Sunday evening at 6:30 o'clock. The Senior League will see and discuss the sound film, "Images," it was announced by the president, Jeff Culp.

LOCAL WOMEN POOL EFFORTS TO AID PEACE

The United Church Women, who will be in charge of the annual World Community Day program to be held in the Methodist Church November 2 at 7:30 p.m., "will pool their interests and energies for a united effort to increase the prospects for peace," Mrs. Richard Deane, chairman, said today.

World Community Day has been observed on the first Friday in November each year since the war years in the early forties. Millions of bundles of clothing, blankets and yard goods have gone annually from every state, including Alaska and Hawaii, to help refugee and destitute families. New garments have been made and home medical kits and school bags assembled which have been made distributed by church workers in many lands. On World Community Day women have joined in worship and in offering to provide training opportunities in the field of nutrition, social welfare and Christian citizenship for women living in the developing areas of the world, as well as to help support United Church Women's program of peace, education and action.

The Gettysburg jointure directors may make a recommendation to the county board Monday evening. Last Monday evening the Upper Adams Merged district board went on record as favoring a two-district county plan rather than a single district. Other jointures in the county also will be taking up the matter this month and may report their recommendations to the county board.

Usually only the 14-member joint school committee of the joint board is called together monthly but notices have gone to all directors in the joint district for this session.

The notices also announce an inspection tour of the new Senior High School building for directors who report there at 7 p.m. A similar tour was made a month ago.

GIRL SCOUTS' FALL COUNCIL MEETS OCT. 11

The fall council meeting of the Penn Laurel Girl Scout Council will be held at the Chateau Restaurant, near Dillsburg, October 11 for registration at 6:15 p.m. and dinner at 7 o'clock.

Delegates and neighborhood chairmen representing 43 neighborhoods throughout the six county council will meet to give direction to the board of directors of the council as planning gets underway for the 1963 Girl Scout camping program. All interested adult members in Girl Scouting in addition to official delegates are invited to attend.

Although delegates will discuss "The Girls' Program in the Out-of-Doors." There will be exhibits of campcraft, displays showing the proper use of tents and slides illustrating facilities and program at all of the council's camp sites; and displays and demonstrations by Senior Girl Scouts who attended the Senior Scout roundup at Button Bay, Vt.

AREA DELEGATES

Delegates and alternates from this area include: Penn-Little NBHD: Mrs. Mary Spalding, Littlestown, R. D., and Mrs. Rhea Gintrow, 533 E. King St., Littlestown, delegates; alternates: Mrs. Margaret Ritter, 551 Glenwyn Dr., and Mrs. Carleen Mayers, 532 Prince St., Littlestown. (Continued On Page 3)

RedGuards Would Not Let British Aid Wounded Man

By CARL HARTMAN

BERLIN (AP)—East German guards today barred a British army ambulance from going to the aid of a man apparently wounded on the Communist side of the wall.

It was a clear refusal by the East German Communist regime to let a Western allied military vehicle move freely within the divided city. This could lead to a major East-West incident, since the Western powers do not recognize East German authority.

A spokesman for the West Berlin city government said two refugees reached West Berlin through a tunnel shortly before 8 a.m. West Berlin police had not known of the tunnel, the spokesman added.

Someone then crept through to

1,000 CATHOLIC TEACHERS WILL MEET TUESDAY

The two-day educational conference of the Harrisburg Diocese parochial schools will open Tuesday at York Catholic High School, York, at 10 a.m. Nearly 1,000 priests, religious sisters, and lay teachers will attend.

The Rt. Rev. Msgr. Francis A. Kirchner, vicar general of the diocese, will preside at the opening session.

Miss Dorothy Andrews will deliver the keynote address "Modern Trends in Language Arts—Every Teacher's Concern." She is associate professor of education and director of developmental reading for the University High School, University of Connecticut, Storrs.

Dr. John C. Albohm, superintendent of the school district of York, will extend his greetings. The diocesan education department is sponsoring the conference under the direction of the Rev. Walter H. Shaull, superintendent of schools for the diocese.

Lectures will focus attention on the entire scope of the traditional language arts on both levels, elementary and secondary. A feature of the conference will be the class demonstrations and a panel on the speech program.

Other speakers will be: Dr. Marcus Konick, "Effective Use of Mass Media." He is diocesan director of the diocese. (Continued On Page 3)

Christ Lutherans Plan Communion

World-wide Communion Sunday will be celebrated in Christ Lutheran Church Sunday at the 10:45 a.m. service. Rev. Dr. Abdel Ross Wentz, former president of the seminary, will be the liturgist; John W. Swyers, student assistant, lector, and the pastor, Dr. Robert W. Koons, will preach the meditation and celebrate the Communion. The choir will sing "The Beauty of the Lord" by Lovelace.

Dr. Bertha Paulsen will speak to the Lutheran Student Association at 4:45 p.m. The Intermediate Lutheran League will meet at the home of Lida Dunkelberger at 7 p.m. for slides and a talk on India. The Senior League will meet at the parish house at 7 p.m. for a talk on the Los Angeles convention by Russell Rosenberger.

Methodist Youth Plan Laurel Outing

"Fun and Fellowship" will be the theme for the October 13 and 14 retreat planned by the combined Youth Fellowships of the Gettysburg Methodist Church at the cottage of the Rev. and Mrs. William R. Jones, called "Pine-wood Inn," across from Laurel Lake. About 30 are expected to attend.

The advisers will be Mr. and Mrs. Adrian Martin, Kenneth Chapman and Miss Joanne Engleke.

TO PAY OFFICIAL VISIT

District Governor Robert Senft will pay an official visit to the Gettysburg Lions Club Monday evening at the weekly dinner meeting at the VFW home. Other district and zone officers also will be in attendance. A busload of local Lions will leave Sunday morning at 11:30 o'clock for the Colts-49ers game at Baltimore.

Snow Flurries And Rain Dampen Most Of Nation

By THE ASSOCIATED PRESS

The nation was wet today and even a few snowflakes made a premature appearance in the West.

Overcast skies and varying amounts of rainfall plagued almost every nook and cranny of the country. The East was the hardest hit with more than two and one-fourth inches reported in Providence, R.I., two inches in Bedford, Mass., and one and a half inches in Boston.

Rain fell over the northern and central Midwest, the Ohio Valley, the West, Northern Plains, the northern area of the West Coast and in the northern and central Rockies.

Snow flurries also crept into the northern and central Rockies and snow mixed with rain fell on Laramie, Wyo.

Temperatures in the 50's and 60's were prevalent over most of the nation, but some isolated areas were warmer. Most of Florida, the immediate Gulf Coast, Texas and southwestern Oklahoma reported 80-degree weather.

SHADE FACES CONTROVERSY OVER H.S. BAND

A controversy over the competence of the Chambersburg Area Senior High School Band flared toward a climax Thursday night at a widely-represented meeting of the Joint Area School Committee in Chambersburg.

The climax was reached when the committee, in effect, asserted it would back up its newly-elected band director, Richard B. Shade, "to a man." Shade resides at 515 Hillcrest Place. He was formerly a music teacher in the public schools here.

More formally, the committee members unanimously resolved "that we hereby assure Mr. Shade of the 100 per cent cooperation and backing of the Chambersburg Area Joint School Committee."

That action, however, was followed with a supplemental resolution to the effect that the committee, in any event, wanted "no interruption whatever in the development of a marching band at Chambersburg Area Senior High School."

Photographs Show Blondes Sitting In Laps Of Pilots

WASHINGTON (AP)—N. E. Halaby, federal aviation administrator, says that if photographs and testimony of cockpit shenanigans are verified they indicate "a very serious condition existed" in airline operations and "could possibly exist today."

Halaby told a news conference Friday that some of the photographs produced within the past two weeks have been verified as authentic, "and we think many of them will be."

Some of the photos showed shapely blondes sitting in pilots' laps and actually at the controls, a donkey wandering through an airliner and pilots dozing.

The man who said he took some of the pictures—Trans World Airlines flight engineer William J. Miller—told a House subcommittee Wednesday that he also saw

BLACK HORSE TAVERN STORY TOLD TO DAR

Members of the Gettysburg chapter of the Daughters of the American Revolution met in the old "Black Horse Tavern" along the Fairfield Rd. for their October meeting Friday afternoon with the regent, Mrs. Clarence C. Smith, presiding.

They heard a talk on genealogy by Edward L. Weikert, of Gettysburg, and a history of the former tavern in which they were meeting, now the home of Mr. and Mrs. John Hostetter.

Weikert is the author of a genealogy on the Weikert family that contains 5,000 names and traces his ancestry from 1735. He displayed the family coat of arms, a photostat of the signature of Isaac Weikert who came here in 1735 and many relics of the Civil War and colonial days. He is a nationally known numismatist and talked about early American coinage.

A history of the Black Horse tavern was read by Mrs. Alexander Light and gave the building date for the present structure as 1812 although there had been an earlier building on the site. The name "Black Horse Tavern" was used at the time of the Battle of Gettysburg and later. The figure of a wooden black horse hung in front of the tavern for many years and gave it its name.

WAS A HOSPITAL

General Robert E. Lee is reported to have stopped at the tavern the day before the Battle of Gettysburg and his defeated army passed the old tavern as they retreated toward Virginia after Pickett's charge here. The tavern also served as a hospital after the battle. The paper in-

The Adams County Civil War Centennial Commission will meet Tuesday evening at 8 o'clock at the arbitration room in the courthouse, Secretary Mrs. Helen McCauslin has announced.

Travel Council Gets \$3,634 From State

Gov. David L. Lawrence today approved allocation of \$362,564.47 to 45 tourist promotion agencies for stimulation of tourist travel in the state. Of that amount, according to news stories from Harrisburg, the amount listed for the Gettysburg Travel Council is \$3,634.

The matching funds, under provisions of the bill passed by the legislature, represent sums up to 10 cents per capita of county population or \$3 per rental room within the county. No county, however, can receive less than \$1,000 or more than \$25,000.

Thomas J. Monaghan, state secretary of commerce, said distribution of the matching funds is to be made quarterly.

SEEK CAUSE OF ELECTRIC WIRE DAMAGE

Electrical engineers are still searching for the cause of the "arcing" of electricity early Friday morning in the area of the intersection of the Lincoln Highway and the bypass on Route 15 and in the Hunterstown area. The flaming arcs of electricity which "produced balls of fire," according to firemen who witnessed the pyrotechnics, apparently set fire to a barn and caused 500 residents of the area to lose telephone service.

William Lentz, manager of the Metropolitan Edison Co. here, estimated today that damage to equipment "totaled several thousands of dollars" but said a final tabulation could not be made before Monday. Of the poles that caught fire only two were so badly burned they had to be replaced, Lentz said.

REPAIR DAMAGE

A number of transformers, lightning arrestors, a section of wire burned beyond use, and a number of fuses are being replaced.

Lentz said a meeting will be held Monday at the Metropolitan Edison Co. office here to "try to find out what happened and the amount of damage. About the same time of the incident near here, a line burned out and a big switch was damaged below New Oxford. Engineers are trying to find out why it happened and whether there is any relation between the New Oxford occurrence and the one in this section.

One possibility being explored, he said, is that rain may somehow have caused short circuits. Both MECO and the United Telephone Co. crews were restoring service today.

Countain In York Traffic Accident

A truck which skidded attempting to stop Thursday at 2 p.m. in York on a rain slick street was responsible for a chain accident in which four vehicles were damaged, according to a York police report.

Driver of the truck was identified as Harvey E. Smeak, New Oxford R. 2, while the other cars were reported driven by Budd G. Feaster, Northumberland R. 1; Norman Stambaugh, 47, of York; and Walter E. Spangler, Spring Grove.

Damage to the four vehicles was estimated at \$725.

THREE EVENTS ARE PLANNED HERE BY SUV

Plans for a "Department Commanders' Night," for the annual observance of "Remembrance Day" and for the annual Dedication Day dinner of the Past Commanders and Past Presidents of the SUV and its Auxiliary were outlined Friday evening at a meeting of the local camp of the Sons of Union Veterans at the GAR home, E. Middle St.

The "Department Commanders' Night" program will be held in the GAR home here Friday evening, November 2, with a dinner to be served by the local auxiliary. A joint session of the Gettysburg, New Oxford, York and Lancaster camps of the SUV and their auxiliaries, will be held following the dinner at which the Pennsylvania Department Commander of the SUV, Rev. Richard Partington, Philadelphia, and the state auxiliary department president, Mrs. Mary Kramer, will be honored. During the session those members of the local SUV who became members 50 years or more ago will be presented with medals, and a large class of new members will be obligated at the meeting.

GEN. FLUCK TO SPEAK

Chester S. Shriver, chairman of the Remembrance Day program November 17 at the GAR monument on the battlefield here, said Maj. Gen. Henry K. Fluck will be the speaker at the program. National and state heads of the five allied orders of the Grand Army will be present to take part in the placing of wreaths at the "Woolson Statue," the statue erected to the Grand Army of the Republic which depicts the last surviving member of what organization. The Sons of Veterans Five and Drum Corps of Harrisburg is scheduled to take part in the program.

A feature of the 32nd annual Dedication Day dinner at the Hotel Gettysburg on the night of November 17 will be the presentation of a national Sons of Veterans scholarship sum to Dr. Carl A. Hanson, president of Gettysburg College. Shriver added. Tributes to Lincoln and the GAR (Continued On Page 3)

600 WILL TAKE PART IN RAID'S RE-ENACTMENT

Approximately 600 costumed men and women will take part Sunday afternoon, October 14, at 1:30 o'clock in the observance of the centennial of Stuart's Raid on Cashtown, according to reports at a meeting of the committee Friday evening in Cashtown.

Richard Gsell, Chambersburg, arranging for the participation by reconstituted Civil War units in the program, said approximately 400 will be present from North-South Skirmish units and other units which represent Civil War regiments, which will take part Saturday, October 13, in a re-enactment of Stuart's Raid in Chambersburg. They will take part in a military ball at Chambersburg Saturday night and then come to Cashtown Sunday, October 14, for the observance there.

O. G. MacPherson, heading the Sons of Union Veterans contingent for the re-enactment, said 150 members of that organization will be present.

DOCTOR TO BE "JEB"

Lt. Col. Corvan Bryan said about 30 Cashtown area women and a large number of Cashtown men will be in costume to participate in the pageant. Ralph Shetter, Biglerville, arranging for the "Union cavalry" for the program, said about 30 horsemen from the county will represent the local militia cavalry which fired on Stuart and convinced the Confederates to head south after raiding Cashtown.

The salute to the flag at the close of the program will be fired by cannon similar to that used in the Civil War.

Dr. Samuel Kirkpatrick, Hanover, will represent "Jeb Stuart" in the Cashtown observance, the (Continued On Page 3)

KENNEDY IS BEGGING FOR MORE VOTES

By ARTHUR EDSON

DETROIT (AP) — President Kennedy, picking up where he left off in 1960, sweeps through Michigan and into Minnesota today with a familiar plea: he needs a strong Democratic Congress, he says, to get this nation moving economically.

His busy schedule includes stops in Flint and Muskegon, then it's on to St. Paul tonight for a traditional mean feed dinner and traditional speechmaking.

This is Kennedy's first big political trip since he campaigned for the presidency in 1960, and he plans to hustle out each Friday for a long weekend of politicking until election day Nov. 6.

BEGS FOR VOTES

On the basis of his showing Friday, it would appear that Kennedy is.

1. Getting more zip into his oratory as he begs for votes for others than he did when he was working for himself in 1960.

2. Sticking with a theme that he has used again and again, that it's the Republicans who are blocking legislation that would make this nation move faster.

3. Drawing crowds as large, or almost as large, as those who turned out during the 1960 campaign. But these crowds are far more sedate. No squealers, few jumpers.

In Cincinnati Kennedy even ran into some hecklers.

As he spoke he looked out on placards held high, that bore such sentiments as these:

"We licked Mississippi. How about Cuba?"

"Less profile, more courage. Blockade Cuba."

SHADE FACES

(Continued From Page 1)

a hastily drawn resolution read by Harold Cook, an alumnus and member of former bands. The resolution, for which Cook claimed on authorship, pointed out:

"Band procedures being restricted to elementary levels and the nonexistence of a band in our high school, with no apparent reason, is depriving the band members of the opportunity of securing an important part of their education."

Asked if he had anything to say, Shade himself readily admitted: "I'm highly embarrassed by all of this. I don't like these things and I haven't been accustomed to them. I don't like to fight. I'm not a young man and I'm not an old man. But if you feel the way you do I'm willing to go home. And I think that's what I'll do. I wish the board would release me. I can't do my best work under circumstances such as these. It isn't fair to anyone."

DRIVER NABBED AFTER CRASH

State police today reported that the charges which put Luis Suarez, 22, a Puerto Rican laborer from Hammon, N. J., in jail Thursday arose from an auto accident Sunday evening about a mile north of York Springs, on the Gettysburg-Harrisburg Rd.

Suarez is charged before Justice of the Peace Paul Wolf, York Springs, with failing to stop at the scene of an accident, driving without an operator's license and passing at the crest of a grade.

Police said that at 9:10 o'clock Sunday evening, George C. Smith, 49, Fayetteville R. 1, was driving north when a southbound auto, apparently attempting to pass a line of southbound cars, entered the northbound lane at the crest of a hill, then went to the right of Smith's car, hitting its right side. After the collision the southbound car went up the side of an embankment, then back onto the road and disappeared.

State police estimated damage to Smith's car at \$300 and started their investigation. They found a wrecked auto abandoned about 1 1/2 miles south of the collision scene on a township road. They checked the registration and continuing their investigation found that Suarez and three companions had been riding in the car Sunday evening.

They found that Suarez was working in the Adams county orchards, residing in a camp near Bendersville.

They later located him near Fayetteville and took him into custody Thursday afternoon. He was placed in the jail here.

Rousing Welcome Awaits Schirra At Hawaii Airport

By RALPH DIGHTON

ABOARD USS KEARSARGE IN PACIFIC (AP)—America's champion astronaut, Walter M. Schirra Jr., steamed slowly today toward his first thunderous welcome—a massed greeting in Hawaii.

Scores of thousands are expected to jam Honolulu's Hickam Air Force Base to Schirra's initial exposure to public acclaim will be brief and confined to the airfield.

He will be accompanied by five of the six other American astronauts.

Paul Haney, National Aeronautics and Space Administration spokesman said the crowd would have to be jammed into a space 150 by 200 yards at Hickam. At Haney's estimate of one person per square foot, that would limit the crowd to 180,000 of Oahu's half million residents.

What Won't Woman Do?

LONDON (AP) — Edward Tinald kissed his wife goodbye and watched her leave for the maternity hospital in an ambulance. It was 7:20 p.m.

At 9:40 p.m., there was a knock on the door. Tinald answered and there, smiling at him, was his 33-year-old wife with her new son.

A hospital spokesman explained there were no vacant beds in the maternity section "and as we could not leave Mrs. Tinald in the labor ward all night we asked her if she would like to go home."

Tinald recovered from his surprise sufficiently to cook his wife supper.

DR. R. D. HEIM TELLS OF VISIT TO AUSTRALIA

The following letter was received recently by The Gettysburg Times from Dr. Ralph D. Heim, professor of religious education and English Bible at the local seminary, who is on sabbatical leave:

"Wingding across the South Pacific, Sydney, Australia, to Naudi, Fiji Islands

"Australia is not a country one wants to leave except to be coming home. Australians and Americans seem to have an affinity for one another although I met one cynic — more British than Australian — who is quite sure America is responsible for most of the world's ills.

"I entered by way of Darwin. For nearly 2,000 miles southward there is desert, desolate except for a few towns and great cattle ranches where water can be provided.

"At Alice Springs, a central city in the 'outback,' a host tells one the temperature can rise to 140 degrees and they can have a year with only a half inch of rainfall.

CROSSES DESERT

"A memorable day was an 80-mile trip across the desert to the Funke River Mission to aborigines. One picture I can't bring home, standing among orange trees, Southern Cross overhead, aboriginal campfire gleaming on the horizon.

"Finally you start flying through thin cloud until at last there is green below. Then the beautiful city of Adelaide. I had a delightful visit in a Lutheran college and seminary as at Gettysburg. Also a trip to the Barossa Valley where they grow sheep, grapes and apples, mostly the varieties we know in Adams County. But the trees were ready to blossom, not to be picked.

"Canberra is the Washington, D. C., of Australia. Already beautiful they are readying a system of lakes in the city for the queen's state visit next year. Yes, spring and autumn are reversed down here. It was a full April day in September, drizzling on the daffodils.

BEAUTIFUL CITY

"Sydney, called the most Americanized city in Australia, is the most beautiful city I have seen from the air. Its citizens scarcely acknowledge their harbor is only the second greatest in the world for charm. Today I took a long look toward Antarctica and regretted it will have to be an unvisited continent.

"International date line does strange things. I expect to start a birthday anniversary in Fiji, revert to the previous day, and have the real celebration next day in Honolulu.

"Now dinner with Pan American."

THREE EVENTS

will be given at the dinner by national heads of the GAR affiliated organizations.

NOV. 19 PLANS

Preliminary plans were discussed for November 19 activities in which the SUV and the Lincoln Fellowship of Pennsylvania unite to present the annual National Cemetery exercises.

Reports at the meeting showed work on repairing the front of the GAR home is about completed. The monument to the troops from Adams County who took part in the Civil War, located in front of the GAR hall, has been cleaned, and some of the brick on the building has been repointed. Painting of woodwork is scheduled to begin "very soon," Dr. Joseph H. Riley, commander of the SUV camp, said at the meeting.

Dr. Riley also reported that Dr. J. Walter Coleman, former National Park superintendent here, who suffered a heart attack in Washington is "doing nicely" in a Washington Hospital where he is patient.

LOCAL WOMEN

(Continued From Page 1)

love can become easily choked with prejudice and distrust. Through these channels then seeps strife and turmoil instead of peace. Channels designed to carry abundance to people in distress become blocked by selfish desires for the luxuries of easy living. Out of these channels then flows a spirit of arrogance and superiority instead of humbleness that makes for understanding and peace.

Channels which could carry faith are dried up because that faith is not fed by the well-springs of God's love opened to us through His son, Jesus Christ. Channels devoid of faith carry fear.

"In our everyday search for ways in which we as individuals may hasten a better day for the world community, let us place a higher value on our ability to be channels for releasing the power of God's spirit to other people. Such channels could deepen daily, enriching life for all," Mrs. Deane added.

Elmer Remy of Canonsburg was elected first vice president, Mrs. Albert D. Deen, Allentown, second vice president and Mrs. Chester Hartman York, third vice president.

Arthur C. Potter of Lewistown was re-elected secretary and John H. Zimmerman Jr., Lebanon, was re-elected treasurer.

MANY NURSES' AIDES SERVE IN THIS AREA

Mrs. Joseph H. Riley, captain of the Nurses Aide's Corps, a volunteer organization under the Red Cross, has prepared the following report on the group's services.

In September the aides staffed the first aid tent at the South Mountain Fair, as they have done for years. Aides were called by the nurse in charge of the Gettysburg College infirmary to assist with the flu vaccine program there Sept. 19, and two women were on duty from 8 a.m. to 8 p.m. Almost every bed in the infirmary was occupied by a student suffering from a virus and the aides assisted in caring for them, making beds, etc. This service will be rendered again Oct. 23, and many of the group have placed their names on call with the college nurse in event of an epidemic or any other capacity in which they might serve.

Answering a call from Miss Ellen Miller, school nurse, six aides assisted from 9 a.m. to 3:30 p.m. in the tuberculosis tests given in the schools Sept. 25. They have assisted Dr. Raymond Sheely with the health program for several years and are on call for that duty.

MANY ARE SERVING

Aides volunteer their services each year for the firemen's carnival and staff the first-aid station there the entire week.

The aides also assisted in the transfer of the guests from the old Adams County Home to the new home on the Biglerville Rd. Fourteen were on duty with the local ambulance crews and gave assistance where needed. Mayor William G. Weaver expressed his appreciation for the "excellent service rendered by the women."

The transfer was used as a civil defense test of the county.

The following Adams County women have donated their services: Mrs. Virginia Barriga, Mrs. Barbara Eisenhower, Mrs. Marie Gillan, Mrs. Marie Henderson, Mrs. Phyllis Hess, Mrs. Frances Jacobs, Mrs. Dorothy Myers, Mrs. Esther Weaver, Miss Ruth A. McIlhenny, Mrs. Margaret Krick, Mrs. Kathryn Moser, Mrs. Polly Mason, Mrs. Sally Roth, Mrs. Lorraine Riley, Mrs. Zora Stambaugh, Mrs. Margaret Noble, Mrs. James Treas, Mrs. Gertrude Winebrenner, Mrs. Vivian Waybright and Mrs. A. Karasch. Mrs. Nancy Richardson, who has completed most of her training for the corps, has assisted with these programs. Miss Ellen Miller is the school nurse and Mrs. Ida Tuckey is the college nurse.

NEW CLASS OCT. 15

As previously announced a new class for volunteer nurses aides will begin Oct. 15 at the Warner Hospital with Mrs. Delp as instructor. Mrs. Riley said that she feels many women in the county do not understand the duties of a nurse's aide, which is part of the civil defense program. "We want to increase our membership because of the large crowds expected next year for the anniversary celebration. Our first fall meeting will be held Oct. 9, at the home of Mrs. Charles Jacobs, West Broadway, and we will welcome any interested women," she added.

YORK, Pa. (AP) — A skidding collision between two autos Thursday night claimed the life of one man and injured three others.

Mervel E. Minnich, 44, of Dover R. 2, died in York Hospital shortly after the crash on Route 74 at Shiloh, four miles north of here.

Injured were Samuel Weisser, Kenneth Eichelberger, 24, and Robert Peck, 30, all of Dover R. 2. They were reported in satisfactory condition.

State police said Eichelberger's car crashed into the one operated by Peck. Minnich and Weisser were passengers of Eichelberger.

ALEXANDRIA, Va. (AP) — A Negro student lost Friday a bid to gain through court action immediate entrance to South Carolina's all white Clemson College.

The U.S. 4th Circuit Court of Appeals withheld for the present a decision on a motion for a preliminary injunction which had been asked by Harvey B. Gantt, Negro student now at Iowa State College.

The court agreed with Clemson attorneys that the case can be conveniently heard on its merits at an early date.

French Assembly To Be Dissolved

PARIS (AP) — President De Gaulle decided today to dissolve the French National Assembly and call new elections. A communique from Elysee Palace — the French White House — said De Gaulle had "taken note" of the resignation of Premier Georges Pompidou, submitted this morning. Pompidou was asked to stay at his post until the new assembly is elected and installed.

Pompidou had been forced to resign by an Assembly vote of censure early Friday.

No date was announced for the elections but speculation centered on the dates of November 4 and 11, although the president might decide to delay the balloting until late November.

The French electorate already has been called to the polls October 28 to vote on De Gaulle's referendum proposal for popular election of future French presidents.

VAN ZANDT AND CLARK TANGLE IN TV DEBATE

PITTSBURGH (AP) — Democratic Sen. Joseph S. Clark, fresh from an unexpected television debate with Republican Congressman James Van Zandt, says he plans to challenge Van Zandt to a series of three more debates during their race for the Senate seat that Clark now holds.

But future debates, Clark says, will be held "under Marquis of Queensbury rules."

Van Zandt, who had left Pittsburgh, was not immediately available for comment on Clark's plans.

Their impromptu debate blazed up Friday night when Van Zandt made a surprise appearance at a Pittsburgh television station where Clark was scheduled to speak, on a Democrat-sponsored campaign broadcast, and said he was ready to accept Clark's longstanding challenge to a debate.

VOLLEY OF CHARGES

Van Zandt proceeded to hurl a volley of charges at Clark, after interrupting Clark's answers to renew the attack.

During their heated exchange, charges and counter-charges tangled confusedly, with both candidates speaking simultaneously.

As the 15-minute program neared its end, Clark said, "If you want all the time you can have it, I'll get back at you later."

Then, turning to the TV audience, Clark said, "Ladies and gentlemen, I ask you — is this fair?"

In a telephone interview after the broadcast, Clark said "I think we have smoked the fox out of his hole. . . . We will be proposing to him to join in three debates between now and the end of the campaign, financed jointly by the Democratic and Republican parties."

LUTHERANS TO HOST PASTOR

Rev. Werner Simpfendorfer from Wurttemberg, Germany, will visit Gettysburg next week as a guest of the Lutheran Seminary. Pastor Simpfendorfer is traveling in the United States for three months under the sponsorship of the church workers exchange program of the Lutheran World Federation. While in Gettysburg he will become acquainted with the life of the seminary, the college and the Lutheran congregations by attending meetings, classes and worship services, meeting students, professors and laymen in the congregations and by participating in the chapel services at the Church of the Abiding Presence at the seminary Wednesday at 10 a.m.

Arriving Sunday afternoon from Lancaster, where he is the guest of the seminary of the United Church of Christ, he will remain in Gettysburg until Wednesday afternoon when he will go to New York City.

Pastor Simpfendorfer is leader of studies and director of congregational work at the Evangelical Academy at Bad Boll, Wurttemberg, Germany. He has served pastorates in congregations, taught in secondary schools and in a theological seminary and has been on the staff at Bad Boll, an outstanding German Christian conference center, since 1956. For a number of years he has had responsibility for the "house church" work of the academy, guiding small groups of Christians in their study and action within the cities of Wurttemberg. He keeps in close touch with community leaders and tries to help pastors and congregations relate helpfully to the complex social and economic problems of a given community.

Freed Of Selling Without Permit

A Thurmont milkman was acquitted of selling products in Emmitsburg without a permit in a three-minute trial in Circuit Court, Frederick, Friday morning. Emmitsburg Officer W. E. Law said he noticed Sterling Bollinger delivering milk to various homes in the town in June.

Officer Law told Chief Judge Patrick M. Schnauffer Bollinger informed him he had no permit to deliver the milk.

Judge Schnauffer told Emmitsburg Attorney Edward Storm the admission of the defendant relayed by Officer Law did not constitute "the slightest evidence" that the ordinance had been violated.

Bollinger was represented by Benjamin Rosenstock.

The case was brought to Circuit Court after the town ap-

sister of the bride, was maid of honor. Thomas Gouker, Littlestown, was best man. Ushers were Leroy Kohls, Hampstead, and Robert Sieger, Manchester. Brothers-in-law of the bride, A. reception or approximately 150 guests was held in the church social hall. Mr. and Mrs. Coppersmith will reside at 2 High St., Hanover. The bridegroom is a 1956 graduate of Littlestown High School and is employed at Inland Homes, Inc., Hanover.

Corbin Article Is Published In IAVE

An article by Jack R. Corbin, head of the industrial arts department at Gettysburg High School, appears in the October issue of the monthly publication, "Industrial Arts and Vocational Education."

Mr. Corbin is one of a group of contributors in the issue to a roundtable on ideas for a superior program in drafting. His article concludes: "It is the responsibility of the drafting teacher to maintain high standards in the drafting room, provide up-to-date course content, develop new and more effective curriculum materials and aids in learning, demand an atmosphere conducive to learning, recruit promising and talented students and evaluate the results objectively."

MECO Presented Bronze Plaque

The Metropolitan Edison Company has been awarded a bronze plaque by the Pennsylvania Electric Association citing its "best results in accident prevention in competition with member companies."

When the safety contest award was presented, MECO also was cited for its assistance in helping the Pennsylvania Electric Association set a new all-time safety record during the past year. The member companies compiled 59,920,833 manhours of work with only 131 accidents.

TO MEET CANDIDATES

PAGEANT AND PARADE

Rev. Henry Early, public relations chairman for the re-enactment sponsored by the Cashtown Lions, said the presence of the 150 SUV members will "add an additional historic accuracy to the re-enactment because the SUV members are direct lineal descendants of the men who fought in the Civil War on the Union side. The organization was established by A. P. Davis, a member of the GAR, in 1881 for sons of deceased or honorably discharged soldiers, sailors or Marines who served in the Union Army or Navy during the Civil War. It was founded to aid the members of the GAR in caring for their helpless and disabled fellow veterans, to extend aid and protection to their widows and orphans, to perpetuate the memory and history of their heroic deed and the proper observance of Memorial Day. Today it is made up mostly of the grandsons and great-grandsons of the GAR members."

The pageant at Cashtown will follow a parade through the streets of that village. The pageant will be held on the baseball diamond of the town.

Nelson Groft Gets Position

Nelson J. Groft, Carlisle St., has been named to the newly-created position of Superintendent of Buildings and Grounds at Gettysburg College. It was announced today by Dr. Walter C. Langsam, college president. Mr. Groft, who has been assistant manager of the Gettysburg Building and Supply Co. since 1948, will have charge of the maintenance of all buildings and the grounds of the college. He is a veteran of 42 months with the U. S. Air Corps. He is married to the former Miss Ruth Stover.

Tourist Total Large: Gettysburg

Gettysburg had one of its largest tourist visitations in history during the year ending September 30, the National Park Office reports. During the last year 710,993 persons toured the battlefield. That number was 26,943 more than the 684,050 listed for the prior year. It also marked the third time in park records that the number of tourists has exceeded the 700,000 mark. One of those years was 1938 when the 75th Anniversary of the battle, the last encampment here of the Blue and Gray, and the dedication of the Eternal Light Peace Memorial brought 1,554,284 people here. Of that number, approximately 1,000,000 visited during the reunion period. The only other year in which the figure exceeded the 700,000 mark was in 1929 — the year of great prosperity, of which Gettysburg still speaks fondly, for money was spent freely and tips of \$5 above the cost of a guided tour were frequent. In 1929, 727,395 toured the field.

The edition amounted to a million copies, the highest in book publishing history.

Wagnild Will Direct Choir In Seattle

Seattle: Parker B. Wagnild, head of the music department at Gettysburg College, will leave Saturday by plane for Seattle, Wash., to direct a choir of 50 voices in a musical parable "O Word of God," for which he arranged the music and another Gettysburg College professor wrote the sequences. The parable was written by Dr. Richard A. Arns, professor of dramatic arts at Gettysburg College, in collaboration with two Philadelphiaans, Gustav Weinke and Kent Gilbert. It will be produced Sunday, October 12, at 4 p.m. in the Olympic Theater, Seattle, in conjunction with the biennial convention of the United Lutheran Church in America. Mr. Wagnild will conduct rehearsals of the chorus and direct the presentation. The parable has as its theme the project adopted by the Parish and Church School Education Board of the U.C.A. for the past year, "The Bible in Daily Living." It will also commemorate the publication of the new revised standard translation of the Bible.

Miss Whitehead cut the three-tiered birthday cake and reminisced on the formation and early years of the club. Seventy young women attended the original organization meeting she said. One of the charter members was Miss Margaret E. Williams, also present at the dinner. Mrs. Philip Hughes, president, was toastmaster. Miss Louise Bender, recently returned from an European tour, exhibited blouses, gloves, wallets, luggage,

Today's Talk

THE ART OF NEVER MINDING

I know many people who see too much. I am convinced that one of the fine arts is to ignore — to never mind.

If we are able to see into our own hearts and recognize great bundles of faults and whole acres of mistakes that we have made, time and time again, then just consider the fact that there are others to whom these faults and mistakes must look very great indeed.

But just the minute I begin to see the beautiful traits in my friend, I notice that all his virtues begin to take on new lustre.

All the time I am still trying to learn this very great art of seeing the good in my friend and ignoring the bad.

How quickly a particular pain or ailment seems to leave just the minute you start to ignore it.

Even a tiny baby boy knows this. He finds that if he will but cry and make a fuss he will be given attention. But let him be ignored when he stubs his toe or gets a little fall and he forgets the imagined hurt almost at once.

Learn to ignore the hurts of the world. This is a big order — but if you want to be strong, able, and convincing as a man or woman, it must be done.

It is a common thing to meet a person who believes that there is little good in this world — that if he only had the chance he could make a much better world than this one God has made and given us as a playground for a while. But I notice that the busy thinking person has no such idea. It's a great world for him — for there is much to do, and so little time in which to do it.

Learn to never mind — to overlook much. Life can be a storehouse of beauty!

Just Folks

LURED BY SONGS

She was a maiden fair to see
And all they knew of love they'd
learned from tender songs by
minstrels sung.

I sweet refrain a cottage small
becomes an earthly paradise,
For 'twas it strange that both
should think that marriage must
be rather nice.

Nobody sang to them of care,
or hardships that must be endured,
In all the songs they ever hummed
the course of true love was assured;

They hadn't heard of all tasks
which daily strength and patience
try.

They had supposed, so young were
they, that love could never fade
and die.

Off to the parson straight they
few, and wondered why he
wished them well.

As man and wife they left his door
in perfect bliss henceforth to
dwell,

But scarce a few gay months had
flowed, came care and need and
grievous doubt

And small vexations to be borne,
which no one ever sings about.

U. S. To Retaliate For Ouster:

The United States is expected to hit back soon at Russia for ousting Ambassador George F. Kennan on grounds he "slandered" the Soviets by comparing American life in Moscow to that of a Nazi prison camp. Secretary of State Acheson and his principal aides started studying means of retaliation as soon as Moscow's demands for Kennan's recall yesterday plunged troubled American-Soviet relations into a new crisis. Officials looked for the Moscow post to be left vacant for a long time as an expression of American resentment. As far as officials could determine, it was the first time in history an American ambassador has been ousted on the ground he was personally unacceptable.

SAYS POLICE WERE DIRECTED TO GET VOTES

LANCASTER, Pa. (AP)—Rep. William W. Scranton, Republican candidate for governor, says the Democratic chairman of Lehigh County had written to state police at the Bethlehem and Fogelsville barracks asking them to seek votes and contribute \$25 to the Democratic ticket.

Scranton made the charge Thursday night in an address before the Lancaster County Council of Republican Women, citing the accusation as an example of what he termed power politics by the Democrats.

"Many Civil Service jobs are only executive order," Scranton noted before he said, "and you can be out the day after election. You can never tell about the other ones, too." Scranton said cards were enclosed asking \$25 donations and also the addresses and Social Security numbers of all the troopers.

GALGON STATEMENT

In Allentown, Edward J. Galgon, the Lehigh County Democratic chairman, issued a 700-word statement in which he said:

"In regards to the letter that was sent out it was mailed out to all state employees, Republican and Democrat. The basic idea was to convey the fact that two of our Republicans had threatened to fire all Democrats and holders of the Republicans win the election."

"Shame on you Mr. Scranton for bossing (trooper) George Caldarrelli of the state police. Isn't Caldarrelli the same person who in street clothes was seen in your car in Bethlehem on your last tour there. This man Caldarrelli has made this letter political for only one reason, his own personal promotion."

"CLOAK OF DECEIT"

Galgon accused the Republicans of using a "cloak of deceit" in Lehigh County and every part of the Commonwealth. He accused them of trying to smear men, and of making flagrant and false charges "for no other reason than to throw a smoke screen over the real political issues."

Galgon quoted the letter as saying: "If you are Civil Service or come under the Hatch Act you may know some friends or relatives who may wish to contribute. Tell them where to send their voluntary contributions."

Caldarrelli is a lobbyist during legislative sessions for the Fraternal Order of Police.

Girl Secretary Defies 2 Gunmen

PHILADELPHIA (AP)—Two bandits have learned that when a woman says "no," she means it. Loretta Secouer, 19, a secretary, was alone in the office of the A. Bregman Co. candy firm in West Philadelphia Friday when two men entered, one brandishing a gun.

They tied up Miss Secouer, put her on the floor behind the counter, and pointed the gun at her head, the secretary told police. They demanded she tell them the combination to the office safe.

She refused. They insisted. She wouldn't budge.

TIBBETTS TO PILOT INDIANS

NEW YORK (AP)—Birdie Tebbetts was back with his old boss, Gabe Paul, as the new manager of the Cleveland Indians today.

The former Cleveland catcher resigned Friday night as manager of the Milwaukee Braves, with whom his contract still had one year to go to accept a three-year pact at a reported \$10,000 a year.

Tebbetts, who managed Cincinnati under Paul for five years, returned to a pilot's role with Milwaukee on Sept. 3, 1961, succeeding Charlie Dressen.

Birdie had stepped down from his executive position as vice president of the Braves at the request of club owner Lou Perini. He takes over at Cleveland from Mel McGaha, who was fired last weekend.

The Indians finished sixth under McGaha this past year after leading the league early in the season.

LEHIGHTON, Pa. (AP)—James R. Stiegerwalt, 22, of Leighton R. 1, was killed Friday when his auto collided with a truck near Ashfield. State police said the truck driver, Charles Gaston, 50, Leighton R. 1, was not injured.

WASHINGTON (AP)—A loan of \$1,406,979 to assist Kittanning, to finance construction of 100 low-rent homes was announced Friday by the Public Housing Administration. Half the homes will be occupied by the elderly.

WASHINGTON (AP)—The Community Facilities Administration announced Friday an interest-free loan of \$3,000 to Rington, Pa., to plan a new sewage collection system and treatment plant expected to cost \$300,000.

NEW YORK (AP)—A Pennsylvania was third in line when World Series bleacher seats went on sale Friday for the game here Sunday. He was Clyde W. Beebe, 48, of Crumlyne.

GIVE REWARD TO THREE IN BRINKS CASE

BOSTON (AP)—Award of \$25,000 of the \$100,000 reward offered by Brink's Inc. in the \$1,219,000 cash robbery of the Boston money express office a dozen years ago was announced Friday.

Payments of \$10,000 each go to two men who testified in the trial of the Brink's bandits, and a \$5,000 award to a third man who the reward committee said had supplied valuable information to the FBI.

The committee made no award to Joseph J. (Specs) O'Keefe, one of the robbers who turned state's evidence and was the principal witness against the members of the gang.

O'Keefe, whose testimony led to the indictment and trial of the gang six years after the robbery in January 1950, was later freed. Seven surviving members of the gang are serving life terms in the Massachusetts State Prison.

A \$10,000 award went to Edwin L. Coffin, Boston, who saw the panel truck used by the robber gang at the scene of the robbery the night it happened.

Another \$10,000 goes to John E. Gonsalves, Stoughton, Mass., who found pieces of a cut up truck in a Stoughton dump. The pieces later were identified as part of the robbery truck.

The committee voted \$5,000 to Harry A. Hamilton, who it said had supplied valuable information to the FBI. Hamilton was not further identified, nor would the committee disclose what information he had given.

Littlestown Riding Club TO HOLD BALL

LITTLESTOWN — The Carroll-Adams Riding Club, Inc., will sponsor a masquerade ball October 20 beginning at 8 p.m. in the John W. Hankey barn, a half-mile northeast of town along the Bonneauville Rd. Cash prizes for costumes will be given in five categories: Most comical individual, most original, most historical, best dressed couple and most comical couple. The judges will be Chester A. Spangler, Wilmer Barnes and Mrs. Bernard Stahley. Music will be by The Merrymonds of Westminster. Tickets are \$1.50 per person. Refreshments will be available. Arrangements are in charge of Mrs. Wilmer Barnes and Mrs. Melvin DeGroff.

President Wilmer Barnes presided at the October meeting of the club Thursday evening in the clubhouse at "Sunset Hill Farm," near town. The following committee was appointed to make arrangements for the annual banquet: Mr. and Mrs. Bernard Stahley, Mr. and Mrs. Irvin DeGroff and Ivan E. Arentz. At the conclusion of business, refreshments were served by Clyde W. Crouse. The club will meet again November 1. The social committee comprises President and Mrs. Barnes.

Mrs. Helen D. Tunison, home economist, will give a demonstration on "Fashions for Windows" at the first fall meeting of the Frogtown Homemakers October 18 at 8 p.m. at the home of Mrs. Delia Updyke, Littlestown R. 1. The programs for the meeting year will be planned.

The following members of the Ladies' Auxiliary of Mason and Dixon Memorial VF post attended the dance at the Lebanon Veterans Hospital Thursday evening: Mrs. Mildred Weaver, Mrs. Martha Kuhns, Mrs. Betty Redding, Miss Lois Sparver and Miss Eileen Weaver. They also assisted in serving refreshments to more than 60 veterans.

A plant sale will be held at the October meeting of the VFW Auxiliary next Thursday at 8 p.m. at the post home. The hostesses will be Mrs. Mary Reigle, Mrs. Martha Kuhns and Mrs. Ruth Dooley.

Ernest Baumgardner, Dewey Baumgardner and Clair A. Beam will be in charge of the program at the meeting of the Men's Brotherhood of St. John's Lutheran Church at 7:30 p.m. Monday at the church. John Morehead, Lewis Motter and Herbert Motter will serve refreshments.

LADIES GUESTS OF LIONS CLUB

LITTLESTOWN — Sixty-seven Lions and their guests attended the Ladies' Night meeting of the Littlestown Lions Club Thursday evening in Dutcher's Restaurant.

Robert C. O'Neal, New Cumberland, international director of the Pennsylvania Junior Chamber of Commerce and who last year received the Frank J. Pasquerella award as the outstanding member of the Pennsylvania executive committee of the Jaycees, was the guest speaker. He spoke on the last line of the Jaycee creed, "Service to Community is the Best Work of Life."

He said, "Everyone should use his God-given time and talents as much as possible to the solving of local problems in the overall effort to make the world a much better place in which to live."

Dicky Selby, public relations chairman of the state Jaycees, introduced the speaker and presided. Selby, Holman L. Sell and Richard V. Emerson, of the membership committee, were in charge of arrangements for the program.

The next meeting of the Lions will be held October 18 at 7 p.m. The United Nations committee, comprising James H. Bancroft, Elmer W. Gall and Harry T. Harner, will be in charge of the program.

PA. PREPARES TO BENEFIT BY FEDERAL BILL

HARRISBURG (AP)—Pennsylvania plans to move swiftly to implement the emergency features of the Public Works Bill nearing final passage in Congress.

As House Senate conferees were completing their work on the bill Thursday, Lawrence's office scheduled a meeting for here next Tuesday to discuss how best to put the plan in action.

The session will be attended by federal and state officials and representatives of municipal government organizations.

SEE 15,000 JOBS

The bill, which still requires final approval by both House and Senate, provides for \$500 million in emergency aid projects—down from the \$900 originally proposed.

Even if the \$500 figure is kept in, Pennsylvania stands to gain as many as 15,000 new job opportunities, according to Walter W. Giesey, Lawrence's executive secretary.

Pennsylvania is eligible for a maximum of 10 per cent of the total appropriation. Of that, all but 10 of the state's 67 counties can have a share.

Not eligible are Northampton, Lehigh, Berks, Lancaster, Lebanon, Dauphin, York, Cumberland, Franklin and Centre counties where better than average employment precludes the possibility of financial help, Giesey explained.

None of these counties is considered an area of substantial unemployment either by the State Labor and Industry Department or the Area Redevelopment Administration.

The emergency public works program has a two-fold purpose as far as Pennsylvania is concerned, Giesey added—increasing work opportunity in the state's labor surplus areas and securing assistance in financing urgently needed state and local public works such as sewers, water systems, hospitals, prison construction and other projects.

Littlestown Rallies In Last Quarter To Defeat Dallastown Outfit 19-6

After being held to a 6-6 deadlock by a scrappy Dallastown outfit for more than three periods, the Littlestown High School football team racked up a pair of touchdowns in the last quarter for a 19-6 victory in a Laurel League game Friday evening at Littlestown.

The Thunderbolts, racking up their third straight victory, struck quickly after receiving the opening kickoff and appeared headed for an easy victory.

After running plays moved the ball to the 36, Dick Motter took a pitchout around right end and streaked up the sidelines for a 64-yard touchdown run. Ted Bortner's placement for the point was wide to the left.

Early in the second period Littlestown took possession on its 37 via a Wildcat punt. Motter and Bill Woodward carried for successive first downs on the Littlestown 48 and Dallastown 39 where a 15-yard penalty against the invaders moved the leather to the 24.

SHOOT RACES 56

Dallastown braced at that point and took over on the 16. After two plays netted three yards, Dick Shoff, Wildcat back, faked back to pass and when rushed, streaked around left end and galloped 56 yards before being caught from the rear by Bortner and Terry Poteroff on the Bolts' 25. Bob Sawicki and Ralph Jennings picked up four and five yards, respectively, and Shoff made a first down on the 14. Three plays added four yards before Shoff again faked back and then scampered over from the 10. Dave McDaniel's kick for the point failed.

The Wildcats threatened again midway in the third quarter but were stopped at the five by the determined Bolts. The ball changed hands rapidly on three fumbles to put Dallastown in position. First Joe Raab recovered for Dallastown on the Littlestown 26. On the next play Dwight Strevig pounced on the ball on the 21 for Littlestown and two plays later Jennings retrieved a Bolt bobbie on the 26.

A 15-yard penalty against Littlestown helped push the Bolts back to the 15 as Shoff, Dallastown's star back, suffered a concussion and was forced out of action for the remainder of the game. Brad Burke, Jim Keller and Burke again picked up nine yards, missing a first down by inches on the five. Three plays later Littlestown was out of danger when Motter punted out to his 47.

Late in the quarter Dallastown punted to the Bolt 36 from where the horse team moved for its second score early in the last quarter. Bortner raced eight yards and then Woodward passed to Fred Snyder for 21 yards. Woodward and Bortner picked up a first down on the Wildcats' 24. Woodward connected with Snyder again for a first down on the 11. After Bortner lost two yards, Motter gained eight and then Bortner raced over on an end run. He also booted the point.

WOODWARD INTERCEPTS
Dallastown received the kickoff and immediately took to the air only to have Woodward intercept.

SCHOOL TEAMS ROLL UP HUGE SCORES FRIDAY

By THE ASSOCIATED PRESS

Pennsylvania's stronger schoolboy football teams, with four or five games behind them, began turning on the steam Friday night with some highly one-sided games.

The biggest cruncher of the evening was Central Dauphin's 74-0 rout of hapless Susquehanna Township, which has lost its last 19 games.

Holidaysburg, leading the West Central Penn Conference with a 4-0 record, clobbered Central Cambria 45-0.

Just to mention a few of the 40 to 50-point games, it was Charleoi 58-0 over Beth-Center, McKeesport 54-6 over Har-Brack, Lock Haven over Huntingdon 41-13, Danville over Jersey Shore 40-6, Greensburg 42-13 over Conneville and Minersville 46-7 over Blue Mountain.

BIG GAMES TODAY

Many of the key games in eastern Pennsylvania conferences were scheduled for today. These included Easton at Altoona in an inter-sectional battle, Harrisburg Harris at Steelton-Highspire in the Central Penn Loop and New Castle and Alliquippa in WPIAL Class AA. In a cross-state feature Friday night, Chambersburg edged Erie Tech, 34-26.

York Blasted Reading 34-6 in the Central Penn Conference while Williamsport, a member of the same league, won its first after 16 straight losses by walloping Lebanon 29-9.

Mount Lebanon continued its winning ways in the tough WPIAL Class AA race, edging Washington 7-6. Farrell blanked Ellwood City 6-0 and Uniontown ran up a 38-6 victory at Baldwin's expense.

In the East Penn Conference, Shamokin's southern division leaders bowed 26-13 to unranked Pottsville. Many games in the northeastern area were rained out and rescheduled for today.

ERNIE DAVIS MAY PLAY FOR BROWNS SOON

By LARRY FRIEDMAN

CLEVELAND, Ohio (AP)—Ernie Davis was forced to the sidelines two months ago by leukemia, but he and the Cleveland Browns are making plans today for him to play again the game he loves more than anything else.

The 22-year-old prize rookie halfback of the Browns—the nation's top collegiate star with Syracuse last fall—was told Thursday night that he had the deadly blood disease, but that it was in a "perfect state of remission" the public shared this news Friday.

Whether the remission, or temporary arrest of leukemia—cancer of the blood—will continue to enable Davis to play in any of the Browns' National Football League games this season remains to be seen. Intermittent remissions are characteristic of the disease are Davis' case is not unique, doctors say.

NO KNOWN CURE
There is no known cure for leukemia and those who have worked with Davis, as well as Arthur B. Modell, the Browns' president, stressed that no new and experimental drugs were used on him. The remission resulted in the course of what they described as traditional treatment and medication.

"I feel real encouraged now," said Davis who plans to begin workouts Monday. "I can't wait to get started," the modest All-American back told newsmen Friday afternoon. Only a pound over his normal playing weight at 213, he appeared in excellent condition.

"I figure it will take me three or four weeks to get my legs and wind in shape," Davis said. "The doctors told me I'm completely normal now. After I get in good condition I will be up to coach Paul Brown whether I can help the team or not."

Dr. Victor Ippolito, the Browns' team physician, will supervise the conditioning of the Heisman Trophy winner.

"His blood is 100 per cent normal at this time," Dr. Ippolito said.

Davis said he knew he had a serious illness and suspected it might be leukemia.

BERWICK (AP)—The sprawling ACF Industries plant here will become the property of the Berwick Industrial Development Authority at formal ceremonies Oct. 23. Among those invited to participate are U.S. Sens. Joseph Clark, D-Pa., and Hugh Scott, R-Pa., and U.S. Rep. Herman Schneebeli, R-Pa. The authority has paid \$2.4 million for the plant, whose operations have been consolidated with other ACF plants.

Biglerville Takes Easy 31-6 Victory At Juniata Joint For 2nd Triumph

Biglerville High School spotted Juniata Joint a touchdown midway in the second quarter and then roared back for an easy 31-6 victory at Millintown Friday evening to even its record at 2-2.

The Indians' lone score came with 7:30 left in the second period when Sam Lowrey fired a pass toennis Grane, the play covering 34 yards. A kick for the point was wide.

Jack Emanuel's Canners moved 40 yards to knot the score with 1:31 left in the half. Jeff Horick shooting through right tackle from the eight-yard line. A run for the point was stopped.

Biglerville made it a rout with three touchdowns in the third stanza.

Early in the quarter Bill Slaybaugh reached pay dirt on an eight-yard carry. Another run for the point was stymied.

A short time later Horick, on a reverse, streaked 35 yards and then lugged the pigskin over for the extra point to make the score 19-6.

80-YD. TD PASS

The longest scoring play of the game came with just 40 seconds remaining in the quarter when Mike Lane, Canner quarterback, tossed a 15-yard pass to Bob Bream, end, and the later raced 65 yards for the tally. Juniata smothered another run for the point.

Elvin Mentzer, Sophomore guard, set up the final Canner touchdown in the last quarter with 6:57 remaining when he intercepted an Indian pass and galloped 70 yards before being dropped on the Juniata one-yard line. Leroy Wetzel plunged over from that point. The kick for the point was blocked.

Biglerville takes on powerful East Pennsboro in a Blue Mountain League game on the Canners' field next Friday evening.

JUNIOR HIGH TOPS WEST AT WAYNESBORO

Gettysburg Junior High evened its football record at 1-1 by whipping Waynesboro West 26-0 at Waynesboro Friday afternoon, being aided considerably by the Cyclones' misuses.

Two fumbles and an intercepted pass paved the way for three Braves' scores while Mike Herring streaked 61 yards for another tally following a fumble.

After a scoreless first period, the Braves tallied in the second quarter. After a fumble was recovered on the Cyclones' 30 it took six plays for the touchdown, Kit Richardson plunging over from the four. A run for the point failed.

Early in the third period Herring broke away on his long touchdown scamper.

14-YARD TD PASS

Another Cyclone fumble was recovered on the Waynesboro 50. Charley Raffensperger passed to Richardson on the one but the Braves were pushed back before Raffensperger passed to Richardson for 14 yards and a TD. Ron Newman added the point on a plunge.

Dennis Herring opened the way for Gettysburg's fourth TD in the last period when he intercepted a pass on the Cyclones' 40. On the fourth play Richardson raced around right end from seven yards out. Newman again carried for the point. Late in the game a score by Ron Sherman was nullified by a penalty.

The victory was a solid team effort by Coach Don Bickel's lads who did not permit Waynesboro to advance beyond midfield.

Next Thursday afternoon at 3:30 the Braves meet Carlisle here.

JACK SANFORD WAS SCARED BEFORE GAME

By JIM BECKER
Associated Press Sports Writer

NEW YORK (AP)—"I was so scared before the game my hand shook."

So said Jack Sanford Friday of his first World Series start, which finished as a 2-0 shutout of the New York Yankees that evened the World Series at one game each.

The 33-year-old right-hander of the San Francisco Giants was clearly the hero of the second World Series game as he set down the Yankees without a run for the first time in the Series since Warren Spahn did it in 1958.

"What do you do when you're scared?" asked one awed observer.

"I sleep," said the impish pitcher, a late bloomer who won his first major league game in 1956 after kicking around in the minors for eight years.

Autumn Is Best Time To Rid Cattle Of Lice By Spray, Dust Application

By FRANK S. ZETTEL
Adams County Farm Agent

Both dairy and beef animals are often heavily infested with lice at this time of year. Autumn is the best time to rid cattle of lice... especially while the weather is warm. All cattle should be treated before they go into winter quarters, since lice build up rapidly on animals placed in close quarters during the winter months.

Frank S. Zettel
Adams County Farm Agent

A spray or dust application of rotenone or pyrethrum is recommended for both dairy cows being milked and beef animals. If needed, a second application should be made about 14 days after the first treatment.

For lice control on beef and dairy cows not being milked, sprays containing either corral, lindane, malathion, methoxychlor or Ronnel can be used. Use caution and do not use any of these sprays on dairy cows while they are being milked.

Sprays should be applied with a power sprayer at 250 to 400 pounds pressure, using about one gallon of spray material per mature animal. Dust should be applied liberally over the back, shoulders and around the base of the tail with a stiff brush, rubbing the

dust well into the hair. Ample dust should be applied above the rear of the udder and on the brisket, using one pound of dust per every three mature animals.

Contact your agricultural extension office for the mimeograph on cattle lice control. This gives materials, amounts and methods of application, plus some of the precautions to be taken when using dust or spray.

RATS CAN BE COSTLY

Rats know to start looking around for a new place to live about this time of the year. This means moving from fields into buildings where they have ready food and protection from winter weather. For each rat that you see there are probably 10 more around that you know nothing about.

Rats are filthy and are a potential health menace. They're expensive boarders too because each rat eats about 40 pounds of food per year and contaminates over twice this amount. They also destroy property. Really nothing good can be said in favor of rats, and when they are destroyed everybody gains.

Every homeowner, both town and country, should clean up trash piles, stone piles and junk. This will prevent rats by removing their favorite shelters. Prevent rats from getting into any food or feed by ratproofing buildings. Rats are expensive pests to have around, so discourage them by cleaning up and ratproofing.

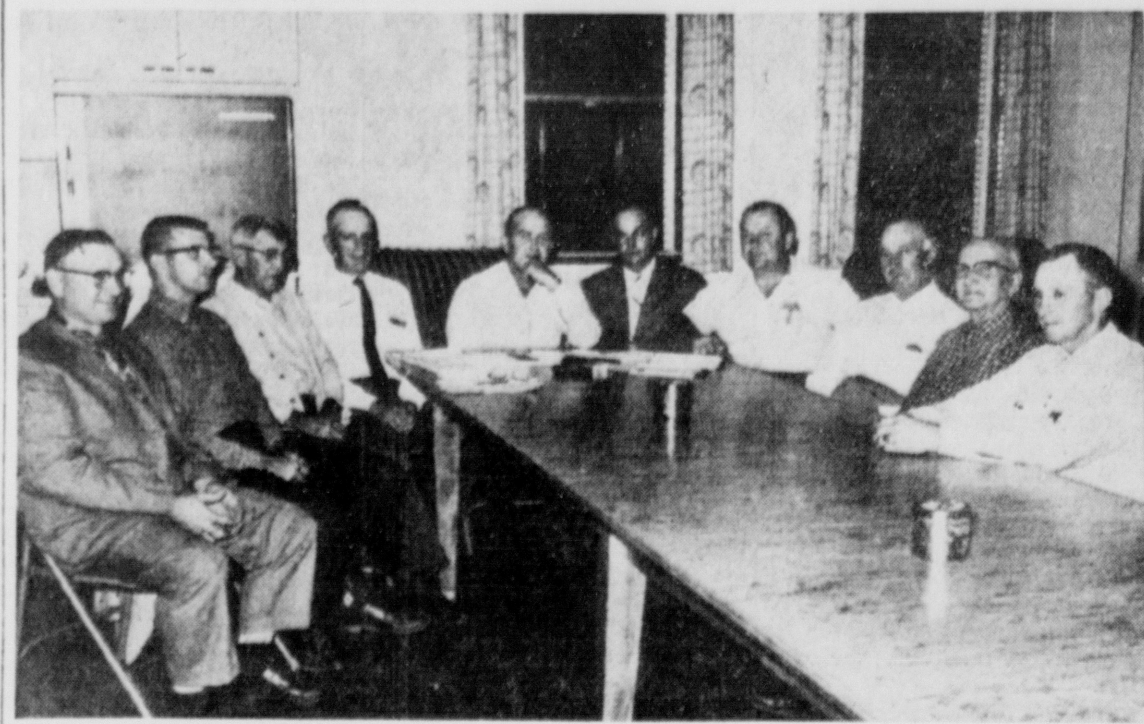

CATTLE NEED VITAMINS

All dairy cows need supplemental vitamins A and D. Because of changes in feeding and fertilization practices in recent years, farmers can no longer depend on forages to provide necessary amounts.

Unless a sound feed programing service is being used to determine individual farm needs, dairymen should feed 30,000 international units of vitamin A and 60,000 units of vitamin D per head daily. This should be provided in the form of dry, stabilized vitamin or vitamin-mineral concentrates. If using manufactured dairy feeds or supplements, make certain adequate amounts of A and D are present to meet these needs.

Supplemental vitamins A and

FARM CALENDAR

Mow Lawns — Mow lawns and other turfgrass areas through the fall and until growth ceases due to cold weather, suggests Jack Harper, extension agronomist at Penn State.

Growing Chicks — As chicks grow, they develop a protective covering of flesh and feathers, explains F. H. Leuschner, extension poultry specialist at Penn State. Their heat requirements are not as great even though the weather may be turning colder.

Rats — Now is the time of year for rats to start looking for a more comfortable home. Clean up trash piles, stone pile and junk.

D are extremely important for use on limited forage rations or those containing a large proportion of corn or other annual silage. Also high nitrate forages may boost vitamin A requirements. All of these factors will be prevalent in feeding programs this winter due to the severe drought. Thus it is especially important to provide these vitamins this year. Dairy extension specialists still do not recommend the routine use of B-complex vitamins or vitamin E.

Prevent rats from getting into food or feed by ratproofing buildings, says Stan Gesell, extension entomologist at Penn State.

Dairy Cows — Dairy cows should be kept in the barn on cold fall nights. Udders chilled on the ground are prone to mastitis, reminds Dr. S. B. Guss, extension veterinarian at Penn State.

Repot Begonias — Repot begonias, ferns, and other house plants using a good soil mixture, advises A. O. Rasmussen, Penn State extension ornamental horticulturist.

Feed Fresh Cows — Dairy cows have a high requirement for nutrients immediately after freshening, reminds Richard S. Adams, extension dairy specialist at Penn State. Place them on full-grain feeding as soon as possible after freshening.

Hunters Caution — Don't shoot without looking, warns R. G. Wingard, extension wildlife specialist at Penn State. Each year many people are killed or seriously injured while hunting.

Venezuela plans to spend \$580 million during the next two years on its highway development program.

DEATHS

TULSA, Okla. (AP)—Cedric E. Boone, 57, executive vice president of Amerasia Petroleum Co., died of cancer Friday in a New York City hospital.

NEW YORK (AP)—Khawja F. Khalil, 49, Pakistani consul general in New York, died in a hospital Friday after a short illness.

He formerly served in the Pakistani diplomatic service in Washington, Indonesia Rio de Janeiro and Bombay.

OLD WESTBURY, N.Y. (AP)—Frederick H. Prince Jr., 76, an original member of the Lafayette Escadrille of World War I fame, died in his home Friday.

HOLLYWOOD (AP)—Former dancer Ronnie Quillan, 45, died in a physician's office Friday. Miss Quillan made headlines in 1950 when she was accused of attacking singer Billy Daniels.

NEWSPAPERS' RISING COSTS ARE PNPA TOPIC

PITTSBURGH (AP)—William Block, copublisher of the Pittsburgh Post-Gazette, keynoted the 38th annual convention of the Pennsylvania Newspaper Publishers' Association today, urging publishers to accept their role as the driving force behind editorial policy.

In prepared remarks, Block described his keynote as a "sour" one: It included reminders of the rising costs of publication; the tough competition by the electronic media for advertising dollars; the superiority of television in entertainment; and the inroads made by television even into the coverage of news in depth.

COMPETITION REDUCED

The net result of these hardships, he said, has been a reduction of competition within the newspaper field. Only three cities in Pennsylvania—Philadelphia, Pittsburgh and Scranton—have two ownerships of newspapers, and none has more than two, he said.

But news in depth, opinion and interpretation are fields in which "the newspaper is still supreme," he continued, "because so long as electronic media depend on gov-

ernment licensing, their editorial voice will always be comparatively muffled. It is in the field of the most controversial—especially the most controversial local problem—that the newspaper has its broadest responsibility."

"The role of the owner in influencing the editorial character of a newspaper is essential if it is to have character, force, courage or any of the attributes we look for in a great newspaper," he said.

Block's speech marked the start of two days of speeches, round tables and entertainment.

The convention ends Saturday evening.

Begin Building Of New Gas Pipe Line

HOUSTON, Tex. (AP)—The Texas Eastern Transmission Corp. says it has begun construction of a 217-mile line across Ohio to permit movement of liquefied petroleum gases to the Eastern seaboard early this fall, including the Philadelphia area.

The new eight-inch line, the firm announced Thursday, will link Texas Eastern's little big

FIRST STARRING FILM

HOLLYWOOD — Richard Chamberlain will make his first starring movie during his next breather between "Dr. Kildare" segments — "Shining Image," based on a "Kildare" yarn, with Paula Prentiss as costar.

MGM-TV will base a series on a book, "The Four Window Girl, or How to Make More Money Than Men," by Shepard Mead. Another Mead tome inspired the Broadway musical hit, "How to Succeed in Business Without Really Trying."

The title dummy in the new "Charlie McCarthy Show" will be just as animated as his live costars, Jerome Cowan and Doug Lambert, thanks to stop-motion photography.

Warner Bros. is readying a half-hour dramatic series about high schoolers' problems, "Rebel With a Cause."

PHILADELPHIA (AP) — A father has filed a \$2.5 million damage suit in U.S. District Court here against a major drug firm, charging that an 18-month-old son was born without arms as a result of the drug thalidomide.

The child, Thomas David Diamond, son of Mr. and Mrs. Thomas Dixon Diamond of suburban Rydel, also had other deformities at birth, the father said.

ADJOURNMENT IS DELAYED

By WILLIAM F. ARBOGAST

WASHINGTON (AP) — Peanuts, pensions and "pork" have killed all hopes for final adjournment of Congress today and hung a question mark on when it will quit.

Only half of the national legislative body—the House—called a Saturday session. The Senate closed shop until Monday.

Leaders tossed in the sponge Friday in their fight to finish the session this week. They set no new target date.

"Anywhere from next Tuesday to next Saturday or beyond," Senate Democratic Leader Mike Mansfield of Montana wryly told his colleagues.

House speaker John W. McCormack, D-Mass., refused to risk a guess on adjournment as he ordered an unusual Saturday session primarily to consider a compromise \$6,278,962,000 appropriation bill containing \$3,928,900,000 for the foreign aid program.

This is a "must" administration bill, and leaders were taking no chances on jeopardizing it for lack of a House majority next week.

PARIS (AP) — France Friday headed into a national election battle between President Charles de Gaulle and his political opposition on the issues of executive leadership and parliamentary government.

This was the result of the National Assembly's adoption of a motion censuring Premier Georges Pompidou for De Gaulle's proposed constitutional amendment to have future presidents elected by a popular vote.

PHILADELPHIA (AP) — The City Council's finance committee voted Thursday to give relief to some 90,000 wage tax delinquents working outside the city through a 50 per cent annual reduction in interest and penalty charges after Jan. 1, 1963. Delinquent wage taxes now are subject to a 1 per cent penalty and one-half per cent interest charge monthly so long as taxes are unpaid.

WILLOW GROVE, Pa. (AP) — Jack Snyder, a Willow Grove druggist who was accused of dispensing dangerous drugs without a prescription, was discharged Thursday night after a preliminary hearing. Snyder had been charged after the death of Mrs. Josephine Faber, 73, of Willow Grove. She died Aug. 23 from an overdose of barbiturates.

Thomas E. Walters Jr., assistant Montgomery County district attorney, moved to discharge the case at the hearing before Justice of the Peace Frank Walsh of Upper Merion Township. Walters took the action after defense attorney S. Walter Foulkrod pointed out that no evidence had been introduced to show that drugs given Mrs. Faber were dangerous.

SPRINGFIELD, Mo. (AP)—The government must show by next Tuesday that it has proper reason to keep Edwin A. Walker, former Army major general, in custody without releasing him on bond.

U.S. Dist. Judge John W. Oliver issued the show cause order Thursday after Walker's attorneys filed a petition for a writ of habeas corpus.

LONDON (AP)—Scotland Yard disclosed Friday a new charge against William Vassall, 38, a clerk in the Admiralty accused of collecting secret information.

The second charge, brought under the Official Secrets Act, said Vassall communicated secret information to a person likely to be an enemy of the state in August and September. No details were given.

Vassall was arrested last month.

DECIDE ABOUT NEW SHOWS IN 1ST TWO WEEKS

NEW YORK (AP)—The new television season is now well launched. Only two of 29 new weekly programs have yet to make their debuts. Television executives believe that most viewers already have made our decisions about the shows we will watch the rest of the fall and winter.

"Practically without exception, people make up their minds by the end of the second week of a show," said one network programming specialist. "They test out a new program one week, and make a choice the second."

Usually, we stick by our choices. Right now, all three networks have strong suspicions about the success—or failure—of their new shows and of old shows returning. But it will be public information around Nov. 1 when the first nationwide ratings—those vital estimates of audience size—are released.

Do we still love Lucy? Would we rather watch nurses in action than Dr. Kildare? Will we sit still for 90 minutes of "The Virginian" or rejoin "Wagon Train" for a shorter stay? Is Perry Mason as attractive on Thursday as he was on Saturday? Is it as much fun to see Jackie Gleason once a week as it used to be? The ratings will say.

Every year at this time, the pessimists insist there will be a lot of replacements after the first of the year. Each season there are a few even a weak series—one which is the choice of only a few million viewers—usually lingers for a whole season.

You don't need a crystal ball—or even a rating service—to predict the most popular television programs during the next few days: They will be the World Series baseball games, and NBC has them. They roll up peak audiences every year.

NBC's method of covering the Schirra flight by running printed bulletins and voice reports along with the telecast of the Giant-Dodger playoff game this week worked out very well. It may even have made some new baseball fans.
